## **Escrow and Surety Requirements**

### **for Wetland Projects**

#### **Cash Escrows**

##### **Monitoring**

Minimum \$6,000/basin, to be determined on a site-specific basis, to cover Commission expenses related to the monitoring requirements of the Wetland Conservation Act (WCA). Monitoring expenses will be based on actual costs incurred and deducted from the escrow. The balance in the escrow account will be refunded without interest following final completion of the project.

##### **Extraordinary Expenses**

Initial deposit of \$1,000 with additional deposits in \$1,000 increments, if expended, will be required. This escrow is required to cover Commission expenses for additional administrative, technical or legal processing services as well as the costs of technical evaluation panels (TEPs) associated with projects involving wetlands. Expenses will be billed based on actual costs incurred and deducted from the escrow. The balance in the escrow account will be refunded without interest following final completion of the project.

#### **Replacement Surety**

To be determined on a site-specific basis, based on estimated costs to purchase replacement credits. This surety may also be used for expenses to conduct repair work on replacement wetlands. The surety may be submitted as a cash escrow, surety bond, or irrevocable letter of credit, at the discretion of the Commission, and will be released when the Commission has determined that the replacement wetland meets all the requirements of WCA.

Financial guarantees shall be issued from financial institutions (banks, savings and loans and credit unions) having business offices within the greater Twin Cities metropolitan area. Financial guarantees, other than cash escrows, from individuals or corporations will not be accepted. The guarantee shall be for a period of five (5) years. All instruments submitted as financial guarantees of completion of required projects shall be submitted on a form provided by or approved by the Commission and shall be automatically self-renewing.
